Don’t miss this opportunity to board the One and All!

The One and All

Learn about life onboard a tall ship and develop historical and mathematical understandings identified in the Australian Curriculum.

The 'One and All' resembles a classic brigantine of the mid-nineteenth century. Tour the vessel and engage in a range of experiences to develop the skills and understandings needed to navigate a tall ship.

Program includes:
- Enjoy a one hour session onboard the One and All exploring navigation, line handling, knot tying, foods consumed and helming
- Visit the SA Maritime Museum exhibits to locate objects and images related to early sailing voyages
- Climb the Port Adelaide lighthouse and identify local landmarks using navigation instruments
- Cruise the Port River onboard the Archie Badenoch (optional – additional $2)

Curriculum Outcomes:
Historical knowledge and understandings:
- What do we know about the lives of people in Australia’s colonial past and how do we know?
- What were the changing features of the movements of people from 1750 to 1918?
- How do new ideas and technological developments contribute to change?

Numeracy:
Students will have the opportunity to gain an understanding of the role of mathematics in the world and can develop dispositions to use mathematical skills purposefully. Students will be given opportunities to analyse numerical data to make meaning of the past, for example to understand cause and effect, and continuity and change.

This extremely popular program was fully booked in 2014. Book early to avoid disappointment.

When: 16th – 20th March (Term 1), 11th – 15th May (Term 2) and 26th to 30th October (Term 4)
Cost: $6 per student (includes entry into the Maritime Museum and lighthouse climb)
Time: 10am – 2pm
Bookings: SA Maritime Museum
Ph: 8207 6255
Email: cdeceukselaire@history.sa.gov.au

The South Australian Maritime Museum program for schools has been developed through a partnership between DECD Outreach Education and the Museum. Outreach Education is a team of seconded teachers based in public organisations.
