History comes alive at the South Australian Maritime Museum!

Join children’s entertainer Michael Mills as he brings history alive through two highly interactive performances that will engage and captivate your students. Each program is supported with hands-on inquiry experiences to consolidate and extend student learning.

EXPLORATION - “The Ghost of Memory Cove”

When: 23rd – 27th March, 2014 (Week 9, Term 1)

Learn about Mr Thistle and Matthew Flinders’ crew, sailing from England in 1801 to complete the chart of Australia’s coast.

Work with an education presenter to discover the skills and attributes needed to be a successful explorer. Apply these and use an explorer’s kit to uncover the history of objects in the museum.

MIGRATION - “Bound for South Australia”

When: 18th – 22nd May (Week 4, Term 2)

Learn about the hardships and risks early migrants took to make South Australia their home. Share the journey with emigrant Harry Williams onboard a ship from Wales, bound for South Australia.
